

The Julian Samora Research Institute in partnership with Blue Cross Blue Shield of Michigan is pleased to bring to you the

# State of Latinos in West Michigan

The purpose of **The State of Latinos in West Michigan** is to engage Latinos and the broader community in a public dialogue to address the issues that face Latino communities as well as the resources and assets available to assist in resolving them. The one day conference will help to educate and inform participants of the issues and assets within Latino communities. This conference will encompass issues of health and wellness, business and education. **Participation is free!**

## Friday, October 7, 2016 8 a.m. – 4 p.m.

**Kroc Center  
2500 South Division Avenue SW  
Grand Rapids, MI 49507**
