How to Purchase your Ticket?

Go to the website <https://www.michiganflyer.com/FaresPromotions.aspx> or look up Michigan Flyer and find book a trip.

Do I have to buy my ticket in advance?

Discounted fares require pre-payment via credit card on our website. You can pay cash to the driver for a ticket, but the fare is higher, exact change is required, seating is based on availability, and only single passenger tickets are available at the coach.

Are there signs at Detroit Metro Airport?

No. But the motorcoaches are clearly co-branded as Michigan Flyer-AirRide. In McNamara Terminal follow "Municipal Transportation" and "Ticketing/Check-In" signs to Departures (Level 3), and look outside and to the left of the doors for Air France check in. At the North Terminal, follow "Municipal Transportation" signs to Ground Transportation and find a small "AirRide route 787" sign by stall number 1.

For any other questions, please contact Michigan Flyer.
