

LATINOS IN THE UNITED STATES SERIES

Latinos in the United States series provides new monographs and collections that contribute to the knowledge of social, political, cultural, and economic experiences, status, and well-being of Latinos in Michigan, the Midwest, and the United States. The series makes a substantial contribution toward increasing our understanding of the diverse and common experiences of the various Latino subgroups. The series embraces both established and emerging scholars from a broad range of disciplines, including but not limited to the social sciences, education, health, environment and natural resources, business, history, and cultural studies.

U.S. Latinos and Criminal Injustice

Lupe S. Salinas

This book addresses the development and rapid growth of the Latino population in the United States and how race-based discrimination, hate crimes, and other prejudicial attitudes, some of which have been codified via public policy, have grown in response. Salinas explores the degrading practice of racial profiling, an approach used by both federal and state law enforcement agents; the abuse in immigration enforcement; and the use of deadly force against immigrants. The author also discusses the barriers Latinos encounter as they wend their way through the court system.

Latinos and the 2012 Election **The New Face of the American Voter**

Edited by Gabriel R. Sanchez

In this groundbreaking volume, experts in Latino politics ask: What is the scope of Latino voter influence, where does this electorate have the greatest impact, and what issues matter to them most? The book also discusses the extent to which Latinos were mobilized during the 2012 campaign and analyzes election outcomes using new tools created by Latino Decisions. A blend of rigorous data analysis and organizational commentary, the book offers a variety of perspectives on the past, present, and future of the Latino electorate.

Transforming Citizenship Democracy, Membership, and Belonging in Latino Communities

Raymond A. Rocco

In *Transforming Citizenship* Raymond Rocco argues that traditional approaches and conceptions of citizenship in the United States are unable to account for the racialized marginalization of Latinos and develops an alternative framework for understanding the relationship between societal and political membership based on the novel notion of associative citizenship.

Nosotros A Study of Everyday Meanings in Hispano New Mexico

Alvin O. Korte

Much knowledge and understanding can be generated from the experiences of everyday life. In this engaging study, Alvin Korte examines how this concept applies to Spanish-speaking peoples adapted to a particular locale, specifically the Hispanos and Hispanas of northern New Mexico. *Nosotros* is a vivid and insightful exploration with applications in numerous fields.

Latinos in the Midwest

Edited by Rubén O. Martínez

Over the past twenty years, the Latino population in the Midwest has grown rapidly, both in urban and rural areas. As elsewhere in the country, shifting demographics in the region have given rise to controversy and mixed reception. This eye-opening collection of essays examines the many ways in which an increase in the Latino population has impacted the Midwest — culturally, economically, educationally, and politically. Drawing on studies, personal histories, legal rulings, and other sources, this book takes an interdisciplinary approach to an increasingly important topic in American society and offers a glimpse into the nation's demographic future.
