

Invitation to the Michigan State University community

Please join us for the Friday Forum on
Neoliberalism & Public Higher Education

“Shared Governance in the Academy: How can faculty get (back) in the game?”

The corporatization of higher education has transformed the shared governance structures in the academy, with governance processes increasingly consolidated within growing administrative positions. Concomitantly, the values of the academy are changing, with the roles and scope of faculty in governance increasingly limited and marginalized.
