"Our Daily Work/ Our Daily Lives" is a cooperative project arising out of the common interest of the Michigan Traditional Arts Program (MSU Museum) and the Labor Education Program (MSU School of Human Resources and Labor Relations) with the cultural expressions of workers and workplaces as locations within which workers culture is produced and enacted. "Our Daily Work/Our Daily Lives" explores and presents the richness and diversity of worker experience and workers culture through an ongoing program of exhibits, lectures and presentations; writing and research projects; and reunions, dialogues, demonstrations and discussions.
