Anne M. Santiago

Research Report No. 4

January 1990

## ABSTRACT

This report presents a directory of migrant service agencies in Michigan. The directory was compiled by the author as part of the Institute's research on the contributions, characteristics, needs and services of and for Michigan's migrant and seasonal agricultural workers. The Institute acknowledges that the directory is by no means a complete list of organizations helpful to migrant farm workers in the State, but only a list of information available at the time of the abovementioned study. Furthermore, the Institute disclaims responsibility for the performance of the entities listed herein. This directory is to be used for reference purposes only, and is not to be considered an endorsement of the agencies listed.
